tom:

C

[Primeira Parte]

C G  
I just put my phone down  
C G  
Finally I'm alone now  
C G  
Strangers call me homie  
Am G  
All my friends are lonely

C G  
I can share my secrets  
C G  
You probably won't believe it  
C G  
But when I say it's all good  
Am G  
I probably didn't mean it  
C G  
Oh, no, no, no, no  
Am  
I ain't got a job  
G  
So you know I still get high  
C G  
And if we fall we'll touch the sky  
Am G  
Eventually

[Refrão]

C  
Girl don't lie to me  
G  
Am I upside down  
Am G  
Are we upside down  
C  
I could try to be  
G  
Am I upside down  
Am G  
Are we upside down

C  
Girl don't lie to me  
G  
Am I upside down  
Am G  
Are we upside down  
C  
I could try to be  
G  
Am I upside down  
Am G  
Are we upside down

[Segunda Parte]

C  
They say fake it till you make it  
G  
Well I did that my whole life  
Am  
Ever since I hit that stage  
G  
I just been focused on them lights  
C  
Only see it through my eyes  
G  
Well, I feel it's only right  
Am  
Put yourself inside my shoes

G  
You probably couldn't  
G  
It's alright  
C  
Well, that's cool  
G  
Look girl I like you too  
Am  
And I just hit the lights  
G  
And it just set the mood  
C  
So you say hold up  
G  
And I know why, But I'm so drunk  
Am  
And you're worried about when I blow up  
G  
If I leave you  
G  
But, you know what

[Refrão]

C  
Girl don't lie to me  
G  
Am I upside down  
Am G  
Are we upside down  
C  
I could try to be  
G  
Am I upside down  
Am G  
Are we upside down

C  
Girl don't lie to me  
G  
Am I upside down  
Am G  
Are we upside down  
C  
I could try to be  
G  
Am I upside down  
Am G  
Are we upside down

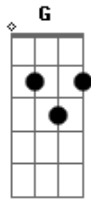

[Final]

C G  
I was so cold for a little bit  
Am G  
And I won't get home till a little bit  
C  
So I'll come around  
G  
If you want to chill  
Am  
And I'm so way  
G  
Yeah I'm over  
C G  
To get you back in my heart  
Am G  
I need you right here now  
C G  
I don't want to see you  
Am G C G  
If I could be here now  
Am  
I should've never  
Am G  
I should've never asked this  
C G Am G  
But I'm gone and I'm upside down
