

# Jermaine Edwards - Beautiful Day

tom:

**Dm**

Say this morning **Dm**

I woke up and I looked in the mirror **Bb**

And every part of my body was in place **F C**

Many people died and never saw this day **Dm Bb**

So another day I live, I appreciate **F C**

Don't ever wanna act too high and mighty **Dm Bb**

Cause tomorrow I can fall down on my face **F C**

So in everything, Lord, I give You praise **Dm Bb**

And that puts a smile on my face **F C**

Lord, I thank You for sunshine **Dm**

Thank You for rain **Bb**

Thank You for joy **F**

Thank You for pain **C**

It's a beautiful day, beautiful day **Dm Bb**

It's a beautiful day **F C**

Don't fuss and fight **Dm**

Let us unite **Bb**

We've got one life, so let's make it right **F C**

It's a beautiful day **Dm Bb**

It's a beautiful day **F C**

So, yeah, thou I walk **Dm**

Through the valleys of the shadows of death **Bb F**

I will fear no evil, won't be dismayed **C Gm**

When I see the clock ticking away **Bb**

And things are not in place **F C**

Everything in life happens for a reason **Dm Bb**

Disappointment comes with a lesson **F C**

It's for me to get wiser **Dm**

Got to work harder **Bb**

In the end, it will get better **F C**

Lord, I thank You for sunshine **Dm**

Thank You for rain **Bb**

Thank You for joy **F**

Thank You for pain **C**

It's a beautiful day **Dm Bb**

It's a beautiful day **F C**

Don't fuss and fight **Dm**

Let us unite **Bb**

We've got one life, so let's make it right **F C**

It's a beautiful day, yeah **Dm Bb**

It's a beautiful day **F C**

If you got life **Dm**

Then give God praise **Bb**

You may not have much **F**

But you're living day by day **C**

You can't have faith **Dm**

And don't wanna work **Bb**

Get up off that seat and put that brain to work **F C**

Ayy, ayy **Dm Bb**

It's a beautiful day **F C**

It's a beautiful day **Dm Bb**

It's a beautiful day **F C**

It may not be the way I want it to be **Dm Bb**

But I thank You for every situation **F**

That made me good and bad friends **C Dm**

That came into my life **Bb**

And those who are still here today **F C**

Lord, I thank You, yeah **Dm Bb**

Lord, I thank You, yeah **F C**

Lord, I thank You, yeah **Dm Bb**

Lord, I thank You, yeah **F C**

Lord, I thank you, yeah **F C**

Lord, I thank You for sunshine **Dm**

Thank You for rain **Bb**

Thank You for joy **F**

Thank You for pain **C**

It's a beautiful day, beautiful day **Dm Bb**

It's a beautiful day **F C**

Don't fuss and fight **Dm**

Let us unite **Bb**

We've got one life, so let's make it right **F C**

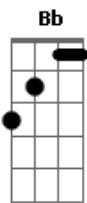

It's a beautiful day, yeah **Dm Bb**

It's a beautiful day **F C**
