

Jerry Lee Lewis - All Night Long

Tom: C

Move closer to me don't slip out of my arms

My emotions tonight are so strong

You say your my woman all through the day

Now keep it that way all night long

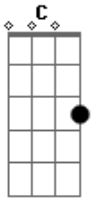

Don't love me then tell me that I've got to leave

This hunger for you will go on
 You tell me that you love me all through the day
 Now keep it that way all night long

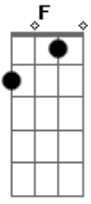

Move closer and let me feel the taste of your lips
 You've made me so weak for so long

Now don't tell me that you want me all through the day
 Then hurt me this way all night long
