

# Jerry Lee Lewis - All The Good Is Gone

Tom: C

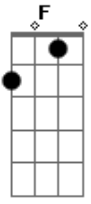

It was only <sup>C</sup>yesterday that I noticed a sudden <sup>F</sup>change  
<sup>C</sup>Even tonight when you touched me <sup>G7</sup>everything <sup>F</sup>seems <sup>C</sup>strange  
 I've been worried for a long time that something might go  
 wrong  
 Oh it's <sup>G7</sup>happening I know it's happening  
<sup>F</sup>All the <sup>G7</sup>good is <sup>C</sup>gone

All the <sup>F</sup>good is gone from the love we shared together <sup>G7</sup>  
<sup>F</sup>All the <sup>D7</sup>tenderness has disappeared from your lov-<sup>G7</sup>ing heart  
<sup>C</sup>And now I'll start looking for another to take your place  
<sup>C</sup>And when each time I hold her and feel her warm <sup>F</sup>embrace <sup>C</sup>  
 Warm memories of our good times when I <sup>F</sup>loved you for so long  
<sup>G7</sup>I remember yes I remember <sup>F</sup>all the <sup>G7</sup>good is <sup>C</sup>gone  
<sup>G7</sup>Yes I remember <sup>F</sup>all the <sup>G7</sup>good is <sup>C</sup>gone
