

Jerry Lee Lewis - All The Good Is Gone

Tom: C

It was only ^Cyesterday that I noticed a sudden ^Fchange
^CEven tonight when you touched me ^{G7}everything seems ^Fstrange
 I've been worried for a long time that something might go
 wrong
 Oh it's ^{G7}happening I know it's happening
^FAll the good is gone ^{G7} ^C

All the ^Fgood is gone from the love we shared together ^{G7}
 All the ^Ftenderness has disappeared from your ^{D7}lov-^{G7}ing heart
 And now I'll start looking ^Cfor another to take your place
 And when each time I hold her and feel her warm ^Fembrace ^C
 Warm memories of our good times when I ^Floved you for so long
^{G7}I remember yes I remember ^Fall the ^{G7}good is gone ^C
^{G7}Yes I remember ^Fall the ^{G7}good is gone ^C
