

Jerry Lee Lewis - Another Place, Another Time

Tom: G

One by one ^G
 They're turning out the lights ^C
 I've been feeding that ol' jukebox ^{D7}
 Just to hold you tight ^G

And it's for the best
 I just put in my last dime ^C
 Heard you whisper we meet again ^{D7}
 Another place another time ^G
 Chairs are stacked all on the tables
 And it's closing time they say ^C
 I could wait right here forever ^{D7}
 If they'd only let me stay ^G

Any place would be much better ^C

Than that ol' lonely room of mine
 And a sleepless night awaiting for ^{D7}
 Another place another time ^G
 Won't that room of mine ^C
 Be a lonely place to be ^{D7}
 After I've been holding you ^G
 So close to me

And won't that ol' stairway ^C
 Be a little hard to climb ^{D7}
 To a lonely room to wait for ^G
 Another place another time

And won't that ol' stairway ^C
 Be a little hard to climb ^{D7}
 To a lonely room to wait for ^G
 Another place another time
