

# Jerry Lee Lewis - Another Place, Another Time

Tom: G

One by one <sup>G</sup>  
 They're turning out the lights <sup>C</sup>  
 I've been feeding that ol' jukebox <sup>D7</sup>  
 Just to hold you tight <sup>G</sup>

And it's for the best  
 I just put in my last dime <sup>C</sup>  
 Heard you whisper we meet again <sup>D7</sup>  
 Another place another time <sup>G</sup>  
 Chairs are stacked all on the tables  
 And it's closing time they say <sup>C</sup>  
 I could wait right here forever <sup>D7</sup>  
 If they'd only let me stay <sup>G</sup>

Any place would be much better <sup>C</sup>

Than that ol' lonely room of mine  
 And a sleepless night awaiting for <sup>D7</sup>  
 Another place another time <sup>G</sup>  
 Won't that room of mine <sup>C</sup>  
 Be a lonely place to be <sup>D7</sup>  
 After I've been holding you <sup>G</sup>  
 So close to me

And won't that ol' stairway <sup>C</sup>  
 Be a little hard to climb <sup>D7</sup>  
 To a lonely room to wait for <sup>G</sup>  
 Another place another time

And won't that ol' stairway <sup>C</sup>  
 Be a little hard to climb <sup>D7</sup>  
 To a lonely room to wait for <sup>G</sup>  
 Another place another time
