

Jerry Lee Lewis - Baby Baby, Bye Bye

Tom: G

Everything I say is wrong
 Everything I do goes wrong

My honey's tellin' me so long
 What am I gonna do

Cause there's just no more dreams you dream

No more tears to cr--y
 Nothin' left to say but

Baby baby bye bye

I once was your sweetheart
 Now you found a new sweetheart

Hate to see ya break my heart
 But if you must go then go

I'll do my best to get by
 It will be hard to get by

I'll love you till I die
 From here I'll walk alone

Baby baby bye bye
