

# Jerry Lee Lewis - Baby Baby, Bye Bye

Tom: G

Everything I say is wrong  
 Everything I do goes wrong

My honey's tellin' me so long  
 What am I gonna do

Cause there's just no more dreams you dream

No more tears to cr--y  
 Nothin' left to say but

Baby baby bye bye

I once was your sweetheart  
 Now you found a new sweetheart

Hate to see ya break my heart  
 But if you must go then go

I'll do my best to get by  
 It will be hard to get by

I'll love you till I die  
 From here I'll walk alone

Baby baby bye bye
