

Jerry Lee Lewis - Come On In

Tom: C

If you're here cause you love me and not just because
 Things didn't work out with him
 If you've had sweet dreams of him and where we left off
 Come on in come on in

If you've come back forever and if you're sincere
 Honey if can be satisfied with one man
 If you've had sweet dreams of him and where we left off
 Come on in come on in

Come on in come on in

I've been missing the fire in your shiny green eyes
 And the love words you whispered back then
 If you can still say you love me after telling those lies
 Come on in come on in

It's the worst kind of hell since we're living apart
 I don't think I can take it again
 If you'll come back for ever please don't break my heart
 Come on in come on in
