

# Jerry Lee Lewis - Don't Let Go

Tom: C

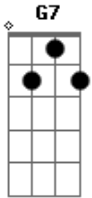

Hear that whistle it's ten o'clock  
 Come on baby it's time to rock  
 I'm so happy I got you here  
 Keeps me grinning from ear to ear  
 Owee this feelings killing me ah shucks  
 I wouldn't stop for a million bucks  
 I love you so  
 Just hold me tight and don't let go  
 Thunder lightning wind and rain

Love is storming inside my brain  
 I'm so eager I'm nearly dying  
 You've been keeping your lips from mine  
 Hound dog barking up side the hill  
 Love is dragging him through the mill  
 If it wasn't for having you  
 I'd be walking and a howling too  
 One day baby you'll get me yet  
 I'll be crying and soaking wet  
 One thing baby I'll never stand  
 Your lips kissing some other man  
 Hold me tight and don't let go
