

Jerry Lee Lewis - Drinking Wine Spo-Dee O'Dee

Tom: G

Down in New Orleans where everything's fine
 All them cats is just a drinking that wine
 Drinking that mess is pure delight
 When getting sloppy drunk they sing all night
 Drinking wine spo-dee-o-dee drinking wine
 Drinking wine spo-dee-o-dee drinking wine
 Drinking wine spo-dee-o-dee drinking wine
 Pass that bottle to me
 Now I've got a nickel have you got a dime
 Let's get together and buy some wine

Wine over here wine over there
 We're drinking that mess and everywhere

Well wine wine Elderberry
 Wine wine wine or Sherry
 Wine wine wine Blackberry

Wine wine wine half and half
 Wine wine wine oh boy
 Pass that bottle to me

Down on Bourbon Street in Willie's den
 Uncle Willie wasn't selling but a full of gin
 One cat ordered a bottle of wine
 He hit that cat for a dollar and a dime
