

Jerry Lee Lewis - Fools Like Me

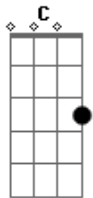

Tom: **C**

Everybody ^{**C**} tells me love is blind ^{**G7**}
 Maybe so cause I refuse to see ^{**C**}
 Everybody tells me things you do ^{**F**}
 But I don't care cause I'm a fool for you ^{**C**}
 It doesn't really matter what you are ^{**C**}
 It only matters what you are to me ^{**G7**}
 Maybe I'm not wise enough to see ^{**F**}
 Maybe I'm not wise enough to see ^{**C**}

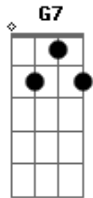

But where would love be without fools like me

Maybe loving you is not so smart ^{**G7**}
 Cause maybe in the end you'll break my heart ^{**C**}
 I really shouldn't love you but I do ^{**F**}
 And I can't stop cause I'm a fool for you ^{**C**}
 I only hope this kind of love is real ^{**F**}
 Cause I can't ever change the way I feel ^{**C**}
 Maybe baby I'm not wise enough to see ^{**G7**}
 But where would love be without fools like me ^{**C**}
