

Jerry Lee Lewis - Fools Like Me

Tom: C

Everybody ^C tells me love is blind ^{G7}
 Maybe so cause I refuse to see ^C
 Everybody tells me things you do ^F
 But I don't care cause I'm a fool for you ^C
 It doesn't really matter what you are ^F ^C
 It only matters what you are to me ^{G7}
 Maybe I'm not wise enough to see ^C ^F
^C ^{G7} ^C

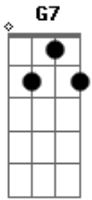

But where would love be without fools like me

Maybe loving you is not so smart ^{G7}
 Cause maybe in the end you'll break my heart ^C
 I really shouldn't love you but I do ^F
 And I can't stop cause I'm a fool for you ^C ^{G7} ^C
 I only hope this kind of love is real ^F ^C
 Cause I can't ever change the way I feel ^{G7}
 Maybe baby I'm not wise enough to see ^C ^F
 But where would love be without fools like me ^C ^{G7} ^C
