

Jerry Lee Lewis - Haunted House

Tom: G

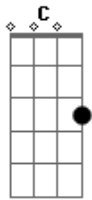

I just moved in my new house today
 Moving was hard but I got squared away
 Bells started ringing and chains rattled loud
 I knew I'd done moved in a haunted house
 Still I made up my mind to stay
 Nothing was a gonna drive me away
 When I seen something that gave me the creeps
 Had a one big eye and two big feet
 I stood right still and I did the freeze
 He did that ol' stroll right up to me
 Made a noise with his feet
 Said boy you'd better not be here when morning comes
 Yes I'm gonna be here when morning comes

I'll be right here I ain't gonna run
 I bought this old house and I'm boss
 Ain't no haint gonna run me off
 Well in my kitchen the stove was a blazing hot
 Coffee was a boiling in the old pot
 Oh the grease had melted in my pan
 Had a hunk of meat right in his hand
 From out of space there stood a man
 On the hot stove were the pots and pans
 Oh let me tell right now son
 You better not hang around when morning comes
 Jerry Lee Lewis will be here when the morning comes
 I'll be right here I ain't gonna run
 I bought this old house and now I'm boss
 Ain't no haint gonna run me off
