

Jerry Lee Lewis - I Can't Trust Me

Tom: C

It started in fun I needed someone
 And now the hurt has begun

I was lonely and it all started in fun
 She had left me and I needed just anyone
 So it happened to be you someone I tell my troubles to
 Now we've gone too far the hurt has begun

And I can't trust me in your arms anymore
 It's not just another thrill like before

Every time your lips touch mine
 We get closer all the time
 And I can't trust me in your arms anymore

It started in fun I needed someone
 And now the hurt has begun

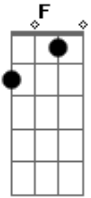

And I can't trust me in your arms anymore
 It's not just another thrill like before

Cause every time your lips touch mine
 Honey I get wilder all the time
 And I can't trust me in your arms anymore
