

Jerry Lee Lewis - I'll Make It All Up To You

Tom: C

Well it's ^C true so true I didn't do ^F right by you ^C

Guess I didn't know the ^{G7} right thing to do

Someday I'll make it all up to you ^C

Well it's true so true ^F I didn't do ^C right by you

Guess I didn't know ^{G7} exactly what to do ^C

Someday I'll make it all up to you

When we ^F met I thought we'd ^C b-e so happy ^{G7} we'd be so true ^C

But when we met I thought we'd ^F b-e so happy ^{G7}

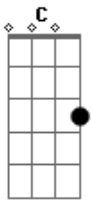

But now you say that we're ^{D7} through ^{G7}

Lord I'm ^C blue so blue ^F but baby I don't blame you ^C

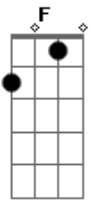

Guess I didn't know ^{G7} exactly what to do

Someday I'll make it all up to you ^C
