

Jerry Lee Lewis - It Hurt Me So

```
Tom: C
G7 C
It hurt me so (it hurt me so)
You?ll never know how much it hurt me
To see you with another boy
You just tore up a world of joy
          С
You?ll never know (you?ll never know)
           G7
You?ll never know (you?ll never know)
      C G7
It hurt me so
If it could show (if it could show)
           G7
If you could know how much you hurt me
You?d sat and cry and when you?re through C
You?d realize my need for you
