Tom: G

Well if you ^Ghear somebody knocking on your door
 If you see ^Csomething crawling across the ^Gfloor
 Baby it'll be me and I'll be looking for you
 If you see a head a-peeping from a crawdad hole
 If you see ^Csomebody climbing up a telephone ^Gpole
 Baby it'll be me and I'll be looking for you
 Gonna look on the ^Cmountain and in the deep ^Gblue sea
 Gonna search all the ^Cforests and look and look in every ^{D7}tree
 Well if you feel something heavy on your fishing hook
 If you see a ^Cfunny face in your comic ^Gbook
 Baby it'll be me and I'll be looking for you

Baby it'll be me and I'll be looking for you
 If you hear a thought a-calling out in the night
 If you see ^Csomebody hanging from a lamppost ^Gbright
 Baby it'll be me and I'll be looking for you
 If you see somebody looking in all the cars
 If you see ^Ca rocket-ship on its way to ^GMars
 Baby it'll be me and I'll be looking for you
 Gonna look in the ^Ccity where the lights are ^Gblue
 Gonna search the ^Ccountryside all the haystacks ^{D7}too
 If you see a new face on a totem pole
 If you find a ^Clump in your sugar ^Gbowl
