

# Jerry Lee Lewis - It'll Be Me

Tom: G

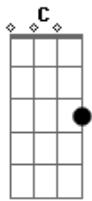

Well if you <sup>G</sup>hear somebody knocking on your door  
 If you see <sup>C</sup>something crawling across the <sup>G</sup>floor  
 Baby it'll be me and I'll be looking for you  
 If you see a head a-peeping from a crawdad hole  
 If you see <sup>C</sup>somebody climbing up a telephone <sup>G</sup>pole  
 Baby it'll be me and I'll be looking for you  
 Gonna look on the <sup>C</sup>mountain and in the deep <sup>G</sup>blue sea  
 Gonna search all the <sup>C</sup>forests and look and look in every <sup>D7</sup>tree  
 Well if you feel something heavy on your fishing hook  
 If you see <sup>C</sup>a funny face in your comic <sup>G</sup>book  
 Baby it'll be me and I'll be looking for you

Baby it'll be me and I'll be looking for you  
 If you hear a thought a-calling out in the night  
 If you see <sup>C</sup>somebody hanging from a lamppost <sup>G</sup>bright  
 Baby it'll be me and I'll be looking for you  
 If you see somebody looking in all the cars  
 If you see <sup>C</sup>a rocket-ship on its way to <sup>G</sup>Mars  
 Baby it'll be me and I'll be looking for you  
 Gonna look in the <sup>C</sup>city where the lights are <sup>G</sup>blue  
 Gonna search the <sup>C</sup>countryside all the haystacks <sup>D7</sup>too  
 If you see a new face on a totem pole  
 If you find <sup>C</sup>a lump in your sugar <sup>G</sup>bowl  
 Baby it'll be me and I'll be looking for you
