

Jerry Lee Lewis - Listen They're Playing My Song

Tom: C

G7 C F C
 Down the street a baby just cried when he woke up all alone
C G7 F C
 A train's leaving town oh that lonesome sound
F
 Is chilling me right to the bone
G7
 A song is playing I can barely hear about a love that's gone
 wrong
C F C G7
C
 The freezing rain on my window pane listen they're playing my
 song

G7 F C
 Taps being played by a sold-ier's grave so sad it torments
 your soul
C F C G7
C C7
 Listen to that old cold north wind blow tonight it's dark and
 cold
F
 Somewhere a siren cuts through the night
G7
 It sounds like the whole world's gone wrong
C F C G7
C
 Thunder just warned oh it's coming a storm listen they're
 playing my song
G7 C
 Listen they're playing my song
