

# Jerry Lee Lewis - My Pretty Quadroon

Tom: C

Oh my pretty quadroon  
 You was a flower that faded too soon  
 You know your heart's like the strings on my banjo  
 Are broken my pretty quadroon  
 Oh oh my pretty quadroon

A flower bud that's faded too soon  
 You know my heart's like the stings on my banjo  
 Are broken my pretty quadroon  
 Oh oh oh my pretty quadroon  
 Honey you know you just got here a little bit too soon  
 You know my heart's like the stings on my banjo  
 Are broken my pretty quadroon
