

Jerry Lee Lewis - No Particular Place To Go

G
Riding along in my automobile
My baby beside me at the wheel
Oh I stole a kiss at the turn of a mile
G
My curiosity runnin' wild
D7
Cruisin' and playin' my radio
C
Oh with no particular place to go
Oh riding along in my automobile
Just anxious to tell her the way I feel
Ooh I told her softly and sincere
C
Oh and she slowly whispered in my ear
D7
Cuddlin' more and drivin' slow

Acordes

Oh with no particular place to go

Oh with no particular place to go

So we parked way out in the Kokomo

Ah the night was young and the moon was gold

G

Ah we both decided to take a stroll

D7

Can you imagine the I felt

C

I couldn't unfasten that doggone safety belt

Oh riding along in my calaboose

Oh still trying to get her belt unloose

C

All the way home I held a grudge

Ah but the safety belt it wouldn't budge

D7

Cruisin' and playin' my radio

D7

G

With no particular place to go
