

# Jerry Lee Lewis - Old Glory

Tom: G

There's a <sup>G</sup> star spangled banner waving somewhere <sup>C</sup>  
 And it's <sup>D7</sup> waving for you and for me <sup>G</sup>  
 And that old star spangled banner waves old glory <sup>C</sup>  
 And it's <sup>D7</sup> waving for the brave and the free <sup>G</sup>  
 Well I trust in <sup>B7</sup> God because I know He <sup>E7</sup> cares for me  
 Upon the <sup>A7</sup> land and upon His <sup>D7</sup> rolling sea

But that <sup>G</sup> old star spangled banner waves old glory <sup>C</sup>  
 And God's gonna <sup>D7</sup> let it wave through all eternity <sup>G</sup>  
 I trust in <sup>B7</sup> God because I know He <sup>E7</sup> cares for me  
 Upon the <sup>A7</sup> land and upon the rolling sea <sup>D7</sup>  
 There's a <sup>G</sup> old star spangled banner waves old glory <sup>C</sup>  
 And God's gonna <sup>D7</sup> let it wave through all eternity <sup>G</sup>  
 My God will <sup>D7</sup> let it wave through out eternity <sup>G</sup>
