

Jerry Lee Lewis - Once More With Feelings

Tom: G

We're just going through the motions
 Of the parts we've learned to play
 Never quite together like before
 But somehow darling something good got lost along the way
 And our song ain't nothing special anymore
 Let's try it one more time with feeling
 Darling take it from the top
 Let me feel those tears a falling babe
 I don't want to miss a single drop
 Darling make believe your making me
 Believe each word you say
 Try it once more with feeling

And we'll call it a day
 Ah you're reaching out to touch me darling
 Just the way you used to do
 And you're looking everywhere but in old Jerry's eyes
 Well that's an oldie heh but it's a goody
 But them words ain't ringing true
 And you don't seem very sure of your life
 So let's try it one more time with feeling
 Darling take it from the top
 Let me feel those tears a falling babe
 I don't want to miss a single drop
 Darling make believe your making me
 Believe each word you say
 Try it once more with feeling
 And we'll call it a day
