

Jerry Lee Lewis - That Kind Of Fool

Tom: G

Look at that fool going home to his wife

Look at that fool he never lies out all night

He doesn't know what it's like to be untrue

Wish I could have been that kind of fool

Look at that fool have one drink then go home

Look at that fool he's leaving that woman all alone

Then go home to someone who loves him true

Wish ol' Jerry Lee could have been that kind of fool

But I try I can't do it darling

Not even for you

Woman it's not that Jerry Lee don't love you

But there's just some things I can't do
