

Jerry Lee Lewis - To Make Love Sweeter For You

Tom: C

Well I'd like to send an orchid at the start of every day
 For flowers show more beauty than words could ever say
 You done so much for my world till all I wanna do
 Is try my best in every way to make love sweeter for you
 A thousand special compliments I pay to you each day
 Your years would never tire of all the sweet things I would say

Oh you never would be lonely honey you never would be blue
 Cause my one aim in life would be to make love sweeter for you
 You given me the faith that took to make my dreams come true
 That's why I want to live and breathe my every breath for you
 You've cleared the windows of my life and now that I see through
 I'll do my best in every way to make love sweeter for you
 Oh I'll do my best in every way to make love sweeter for you
