

## Jerry Lee Lewis - To Make Love Sweeter For You

Tom: C

Oh you never would be lonely honey you never would be blue

C

C

Oh you never would be lonely honey you never would be blue

C

C

C

C

C

C

C

For flowers show more beauty than words could ever say

C

You done so much for my world till all I wanna do

C

G

G

T

S

That's why I want to live and breathe my every breath for you

C

That's why I want to live and breathe my every breath for you

C

That's why I want to live and breathe my every breath for you

C

You've cleared the windows of my life and now that I see through

C

Ti'll do my best in every way to make love sweeter for you

S

That's why I want to live and breathe my every breath for you

C

Tom:

That's why I want to live and breathe my every breath for you

C

Tom:

That's why I want to live and breathe my every breath for you

C

Tom:

That's why I want to live and breathe my every breath for you

C

Tom:

That's why I want to live and breathe my every breath for you

Tom:

That's why I want to live and breathe my every breath for you

That's why I want to live and breathe my every breath for you

That's why I want to live and breathe my every breath for you

That's why I want to live and breathe my every breath for you

That's why I want to live and breathe my every breath for you

That's why I want to live and breathe my every breath for you

That's why I want to live and breathe my every breath for you

That's why I want to live and breathe my every breath for you

That's why I want to live and breathe my every breath for you

That's why I want to live and breathe my every breath for you

That's why I want to live and breathe my every breath for you

That's why I want to live and breathe my every breath for you

That's why I want to live and breathe my every breath for you

That's why I want to live and breathe my every breath for you

That's why I want to live and breathe my every breath for you

That's why I want to live and breathe my every breath for you

That's why I want to live and breathe my every breath for you

That's w
