

Jerry Lee Lewis - Touching Home

Tom: G

Today I can feel it touching home

Today pain became a real life hurting thing

And the choir of loneliness sang me a song

Now I know just what it means to lose a lifetime dream

Cause today I can feel it touching home

No longer do I wonder why men have lost their minds

Or wind up in a jungle of flashing neon signs

Now I know how it feels

To know that love ain't real

Because today I can feel it touching home

No longer do I wonder why men have lost their minds

Or wind up in a jungle of flashing neon signs

Today I know how it feels

To know that love ain't real

Because today I can feel it touching home
