

Jerry Lee Lewis - Touching Home

Tom: G

Today I can feel it touching home
 Today pain became a real life hurting thing
 And the choir of loneliness sang me a song
 Now I know just what it means to lose a lifetime dream
 Cause today I can feel it touching home
 No longer do I wonder why men have lost their minds
 No longer do I wonder why men have lost their minds

Or wind up in a jungle of flashing neon signs
 Now I know how it feels
 To know that love ain't real
 Because today I can feel it touching home
 No longer do I wonder why men have lost their minds
 Or wind up in a jungle of flashing neon signs
 Today I know how it feels
 To know that love ain't real
 Because today I can feel it touching home
