Tom: G  
Intro: G C G C

G  
The night's over  
D  
your fading  
C  
It always ends the same  
G D  
Your hands on my shoulder  
C  
as we pull away  
G D C  
So many good times you and I  
G D C  
It makes it so hard to say good-bye  
C G D

Cause it always feels like Sunday  
C  
When I drive you home  
G D  
Baby, we'll be fine by Monday  
C G  
but tonight I'm alone  
G D C  
Baby, when I can't be with you  
D C  
I still want you close  
G D Em  
Cause it always feels like Sunday  
G  
When you go  
When you go
