

# Jesse McCartney - Just So You Know

Tom: A

**Gbm**  
I shouldn't love you,  
**A**  
but I want too.  
**E**  
I just can't turn away.  
**Gbm**  
I shouldn't see you,  
**A**  
but I can't move.  
**E**  
I can't look away.  
( **D A E D** )

**Gbm**  
I shouldn't love you,  
**A**  
but I want too.  
**E**  
I just can't turn away.  
**Gbm**  
I shouldn't see you,  
**A**  
but I can't move.  
**E**  
I can't look away.

**Gbm** **A**  
And I don't know,  
**E** **D**  
how to be fine when I'm not.  
**Gbm** **A**  
Cause I don't know,  
**E**  
how to make the feeling stop.

**D**  
Just so you know  
**A** **E**  
This feeling's taking control of me,  
**Gbm** **D**  
and I can't help it.  
**D**  
I won't sit around,  
**Gbm** **E**  
I can't let him win now.  
**D**  
Thought you should know,

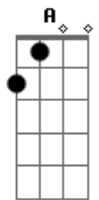

**A** **E**  
I tried my best to let go of you,  
**Gbm** **E**  
but I don't want too.  
**D** **Gbm** **E**  
I just gotta say it all before I go.  
**D**  
Just so you know.  
( **D A E D** )

**Gbm**  
It's getting hard to,  
**A**  
be around you.  
**E** **D**  
There's so much I can't say.  
**Gbm** **A**  
Do you want me to have the feelings?  
**E** **D**  
And look the other way.

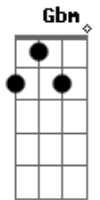

**Gbm** **A**  
And I don't know,  
**E** **D**  
how to be fine when I'm not.  
**Gbm** **A**  
Cause I don't know,  
**E**  
how to make the feeling stop.

**D**  
Just so you know  
**A** **E**  
This feeling's taking control of me,  
**Gbm** **D**  
and I can't help it.  
**D**  
I won't sit around,  
**Gbm** **E**  
I can't let him win now.  
**D**  
Thought you should know,  
**A** **E**  
I tried my best to let go of you,  
**Gbm** **E**  
but I don't want too.  
**D** **Gbm** **E**  
I just gotta say it all before I go.  
**D**  
Just so you know.
