

Jesse McCartney - Leavin'

Tom: D

""Preste bastante atenção ao ritmo da musica e ao encaixe dos acordes que acabam, a musica possui poucas notas e muitas variações de graves e agudos das mesmas.

A base da musica é essa, mas voce pode brincar com as notas pra deixar um som mais legal.""

Intro: A Gbm E A

A Hey baby girl, I've been watching you all day (all day x3)
