

# Jesse Rutherford - Blame

Tom:

Intro: Dm G Am7 F7M  
 Daytrip took it to ten (hey!)  
 Dm G Am7 F7M  
 (Coo-coo)

[Refrão]

Is being sober hopeless?  
 All I ever think about is smokin'  
 Now I know why daddy had to keep the bottle open  
 Uh, I can't blame him, no, I can't blame him  
 Am I crazy? Seems like everybody is lately (coo-coo)  
 Now I understand how mama raised me (I do)  
 I can't blame her, no, I can't blame her  
 Not at all (yeah, yeah)

Ask me how I'm doing today  
 Bet I'll say I'm okay  
 But I'm rotting away inside (inside)  
 Don't worry 'bout it though  
 Both of us are, you know?  
 Funny, that's how it goes in life  
 I'm not tryna be dark  
 But I just got to the part  
 Where you stare at the stars  
 And compare what you are  
 To everything all around  
 Wonder what it'd be like  
 If it all came crashing down

[Pré-Refrão]

You shouldn't talk back to your mother  
 Or you might get smacked by your mother  
 Cut a little slack for your father  
 'Cause he's never comin' back

 I try to say I'm not addicted but  
 I keep thinking 'bout the blunt  
 Cut it for a week but I don't think I'd last a month  
 When I was 17 I didn't think about stuff  
 Then life got tough  
 It's gettin' harder every single day (true)  
 The minute that I wake (true)  
 The one thing that I crave, it's insane  
 I need it to stay up (uh)  
 Love what Mary Jane does in every situation, oh, yeah  
 You make it feel painless  
 My doctor says I should use in moderation but  
 I just roll myself a J and push it all away  
 To the back side of my brain, hey
