

Jessica Benko - A Soulmate Who Wasn't Meant To Be

Tom: C
Intro: C Am Dm G

I never should have called
'Cause I knew you would leave me
But I didn't think you could do it so easily
And I never should have held your hand
On that cold rainy night
'Cause further along, it would cause another fight

Stranger, that's all I see

When I look into your eyes

A soulmate who wasn't meant to be

Stranger, who knows all my secrets

Can pull me apart and break my heart

A soulmate who wasn't meant to be

I never should have kissed

Kissed your hand

I am under your control

I will never understand

I never should have said

"I love you"

You never said it back
So why do I still care for you?

Stranger, that's all I see

When I look into your eyes

A soulmate who wasn't meant to be

Stranger, who knows all my secrets

Can pull me apart and break my heart

A soulmate who wasn't meant to be

Wish I could go back to the day we met and leave you be

Sit and look pretty

Never should have called

Never should have helped

Never should have kissed

Never should have said

Stranger, that's all I see

When I look into your eyes

A soulmate who wasn't meant to be

Stranger, who knows all my secrets

Can pull me apart and break my heart

A soulmate who wasn't meant to be

Acordes
