Jessie J - Big White Room

Tom: A

```
   E
Sitting in a big white room alone
                                        D           A
Tilt my head back, feel the tears roll down
E
Cause my eyes can't see in the dark
                                      D             A
I feel young, broken, so so scared  hmmm

I don't wanna be here anymore
E
Wanna be somewhere else
             D                  A
Normal and free, like I used to be
E
But I have to stay in this big white room
             D         A
With little old me
E
I'm going crazy

I'm losing my mind
D
I'm going crazy
         A
In this big white room of mine
E
I'm going crazy
                  D
I'm losing my mind

I'm going crazy
           A
In this big white room of mine
E
Sitting in a big white room alone

Close the door
                           D   A
Don't want the pain to come in , no
E
I clench my fist

And try to stay strong

I cry, feel sick
             D                        A
My heart is beating out of control
E
Can I run more faster than you

I wanna feel my body again
         D                  A
Feel the wind in my hair
E
But I have to stay in this big white room
                   D    A
Cos no one else cares

E
I'm going crazy

I'm losing my mind
D
I'm going crazy
          A
In this big white room of mine
E
I'm going crazy
                       D
I'm losing my mind

I'm going crazy
            A
In this big white room of mine

E
Everybody's looking at me
Everybody's staring at me
                    D
What do I do now
A
Smile, yeah
E
Everybody's looking at me

Everybody's staring at me
D
What do I do now
A
Smile, yeah

E
I'm going crazy

I'm losing my mind
D
I'm going crazy
              A
In this big white room of mine
E
I'm going crazy
                        D
I'm losing my mind

I'm going crazy
                 A
In this big white room of mine

E
I'm going crazy

I'm losing my mind
D
I'm going crazy
              A
In this big white room of mine
E
I'm going crazy
                       D
I'm losing my mind

I'm going crazy
                 A
In this big white room of mine
```
