

Jessie J - Flashlight

Tom: C

(Verse)

C
When tomorrow comes

C
I'll be on my own

G
Feeling frightened up

C
The things that I don't know

C
When tomorrow comes, Tomorrow comes

F
Tomorrow comes

C
And though the road is long

C
I look up to the sky

G
In the dark I found, I stop and I won't fly

C
And I sing along, I sing along, then I sing along

(Chorus)

C
I got all I need when I got you and I

G
I look around me, and see sweet life

Am
I'm stuck in the dark but you're my flashlight

F
You're gettin' me, gettin' me through the night

C
Can't stop my heart when you shinin' in my eyes

G
Can't lie, it's a sweet life

Am
I'm stuck in the dark but you're my flashlight

C
You're gettin' me, gettin' me through the night

G
Cause you're my flash light

Am
You're my flash light, you're my flash light

(Verse)

C
I see the shadows long beneath the mountain top

I'm not the afraid when the rain won't stop

Cause you light the way

I got all I need when I got you and I
