

Jessie J - One More Try

tom:

[Primeira Parte]

F
Have you ever felt out of place?
Like something knocked you off, off your wave
You try to lift your head up
To show 'em what you're made of

[Segunda Parte]

F Bb F
I used to always feel too afraid
To take that extra step, make a change
But now I gotta stand up
And show 'em what I'm made of

[Pré-Refrão]

C Am Bb
Ooh, we all were born to break the rules
I know I've got a lot of hill to climb
But on this starry night
I'm feelin' new
Oh, oh anything goes

[Refrão]

F Bb F
This is the moment I've waited for
Won't hold it back, no, not anymore
I'm startin' over with tears in my eyes
All that I'm askin' is one more try
I've made mistakes and I've let you down
Been young and stupid, I see it now
I'm startin' over with tears in my eyes
All that I'm askin' is one more try

[Terceira Parte]

F Bb
Sick of being told who I am
F Bb
Been put into a box, no, not again
Dm Bb
It's time for me to step out
Dm Bb
And show 'em what I'm all about
