## [Primeira Parte]

**Cm**  
Stop playing with your body, lady

**D**  
Stop feeling like you're not enough

**Dm**  
Stop feeding into the haters

**F**  
Stop and give yourself some love (woah)

**Cm**  
Stop staring at the mirror getting faded

**D**  
Saying you won't fall in love

**Dm**  
Stop trusting all those fake idiots

**F**  
Trust me they don't give a fuck (woah)

[Pré-Refrão]

**Cm**  
I'm tired of seeing it

**D7**  
I'm tired of feeling this

**Dm**  
The world says beauty is changing

**Gm** **Cm**  
Fuck that it's fake expectation, of the real shit

**D7**  
Let's get naked

**Dm7** **Gm**  
Start meditating, feel elevated and say

**Cm** **D7**  
I love my body, I love my skin

**Dm** **F** **Dm** **G**  
I am a goddess, I am a queen

**Cm** **D7**  
I love my body, I love my skin

**Dm** **F** **Dm** **G**  
I am a goddess, I am a queen

## [Segunda Parte]

**Cm**  
Stop chasing all the hype, my girl

**D7**  
Stop trying to change who you are

**Dm**  
Stop cutting yourself up on the outside (outside)

**F**  
When the inside is never scarred

**Cm**  
It can't be healed with something materialistic

**D7**  
Can't be healed by a man who stays distant

**F**  
It's deeper

**Dm**  
Save yourself, before you betray yourself
