

# Jessie J - Silver Lining (crazy Bout You)

Tom: C

Call me crazy  
 In a world where no one, no one understands  
 It's good to finally find someone, someone who can  
 You know me  
 Better than I know myself  
  
 Don't care what they say  
 Don't care what this world thinks  
 We got each other  
 That's all we need  
 And you show me  
 I don't need nothing else  
  
 Call me crazy  
 Call me a fool (oh)  
 Call me crazy maybe it's true  
 But I'm crazy bout you, I'm crazy  
 I'm crazy bout you, I'm crazy  
 I can't help it, help it,  
 Nothing I can do  
 I'm crazy, crazy bout you  
 (Crazy, crazy, crazy, crazy)  
 And I love it cause I know you're crazy bout me too  
  
 When I lose my mind, when I'm a total mess  
 I stop as you still think I'm the best  
 And I love you even when you're a wreck  
  
 Call me crazy

Call me a fool, hey  
 Call me crazy baby it's true  
 But I'm crazy bout you, I'm crazy  
 I'm crazy bout you, I'm crazy  
 You're my silver lining (you make the light)  
 You make the light come through  
 I'm crazy, crazy bout you  
 (Crazy bout you, crazy bout you)  
 (Crazy bout you, crazy bout you)  
 And I love it because I know you're crazy bout me too  
  
 And when this world tries to tear us down  
 They never will  
 They'll never break us apart  
 They're saying crazy and hard  
 Call me crazy  
 Crazy bout you, I'm crazy  
 I'm crazy bout you, I'm crazy  
 I can't help it, help it (baby)  
 Nothing I can do  
 (Nothing I can do)  
 I'm crazy, crazy bout you  
 And I love it because I know  
 But I'm crazy bout you  
  
 I'm crazy, I'm crazy bout you  
 You're my silver lining  
 You make the light come through  
 I'm crazy, I'm crazy bout you  
 And I love it because I know you're crazy bout me too
