

# Jessie J - Stand Up

Tom: C

C G F  
If you surround yourself with negative people,  
C G F  
You'll never feel settled in or become an equal, no.  
C G F  
They'll suppress you of your spirit and rinse you dry of  
smiles,  
C G F  
So reach deep and release your inner child. Yeah, yeah!

C G  
So stand up! For the love, love, love.  
F  
So stand up! For the love, love, love.  
C G F  
So stand up! Yeah.  
C G  
'Cause you're as old as you feel you are,  
F  
And if you don't reach for the moon you can't fall on the  
stars,  
C G F  
So I live my life like every day is the last, last, last.  
C G  
'Cause you're as old as you feel you are,  
F  
And if you don't reach for the moon you can't fall on the  
stars,  
C G F  
So I live my life like every day is the last, last, last.

Listen!  
C G F  
If you let a frown become your normality,  
C G F  
You don't set an example for the youth of our humanity.  
C G F  
If you spend every day wishing for the next to come,  
C G F  
Aged and lifeless is what (yes!) you'll become. Yeah Yeah!

C G  
So stand up! For the love, love, love.  
F  
So stand up! For the love, love, love.  
C G F  
So stand up! Yeah.  
C G

'Cause you're as old as you feel you are,  
F  
And if you don't reach for the moon you can't fall on the  
stars,  
C G F  
So I live my life like every day is the last, last, last.

Am  
So ignore the bad and the good will soon come,  
G  
Don't think second best, be number one.  
Am  
Spread some love, don't give to receive,  
G  
Strive to be happy and live to believe.  
Am  
So ignore the bad and the good will soon come,  
G  
Don't think second best, be number one.  
Am  
Spread some love, don't give to receive,  
G  
Strive to be happy and live to believe. Yeah, yeah, yeah!

C G  
So stand up! For the love, love, love.  
F  
(So let me see you. Yeah, yeah!)  
C G  
'Cause you're as old as you feel you are,  
F  
And if you don't reach for the moon you can't fall on the  
stars,  
C G F  
So I live my life like every day is the last, last, last.

(Break It Down!)

C G F  
So stand up! Stand up! Stand up! Yeah.  
C G  
'Cause you're as old as you feel you are,  
F  
And if you don't reach for the moon you can't fall on the  
stars,  
C G F  
So I live my life like every day is the last, last, last.
