

# Jessie Paega - Phantom

tom:

Do you Remember what I look like  
Without tears in my eyes  
Without tears in my eyes

[Pre-Chorus]  
We had chemistry  
Toxic Chemistry  
You were a part of me

[Chorus]  
Now you're just a phantom in my head  
An empty space inside my bed  
How can someone so very close to me  
Make me feel so sad  
Feel so sad  
Now you're just a phantom in my head  
And echo all the words you said  
How can someone so very far from me  
Make it hurt so bad  
Hurt so bad

[Verse 2]  
You show me every insecurity  
I've been trying to hide  
Don't know what it's like  
Like for me

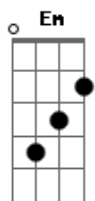

Growing up shy

[Pre-Chorus]  
We had chemistry  
Toxic Chemistry  
You were a part of me

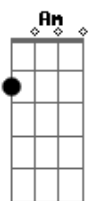

[Chorus]  
Now you're just a phantom in my head  
An empty space inside my bed  
How can someone so very close to me  
Make me feel so sad  
Feel so sad  
Now you're just a phantom in my head  
And echo all the words you said  
How can someone so very far from me  
Make it hurt so bad  
Hurt so bad

[Chorus]  
Now you're just a phantom in my head  
An empty space inside my bed  
How can someone so very close to me  
Make me feel so sad  
Feel so sad  
Now you're just a phantom in my head  
And echo all the words you said  
How can someone so very far from me  
Make it hurt so bad  
Hurt so bad
