

The Jesus And Mary Chain - About You

Tom: A

(intro 2x) A A7 D

I ... can see, that you ... and me
 Live our lives in the pouring rain
 And the raindrops beat out of time to our refrain ...
 And you ... and me, will win ... you'll see
 People die in their living rooms
 But they do not need this God almighty gloom ...

(solo base 2x) A A7 D

There's something warm about the rain ...
 There's something warm, there's something warm
 There's something warm in everything
 I know there's something good,
 There's something good about you, about you, about you
 I know there's something warm, there's something warm
 There's something warm, good about you
