

The Jesus And Mary Chain - April Skies

Tom: E

Afinação: Eb Ab Db Gb Bb

Hey honey whatcha trying to say
 As I stand here don't you walk away
 And the world comes tumbling down
 Hand in hand in a violent life
 Making love on the edge of a knife
 And the world comes tumbling down
 And it's hard for me to say
 And it's hard for me to stay
 I'm going down to be by myself
 I'm going back for the good of my health
 And there's one thing I couldn't do
 Sacrifice myself to you
 Sacrifice

Solo: E A E A B A E

Hey baby I just can't see
 Just what you mean to me
 I take my hand and I fake my words
 I'm just your long-time curse
 And if you walk away I can't take it
 But that's the way that you are
 And that's the things that you say
 And now you've gone too far

With all things you say
 Get back to where you come from
 I can't help it
 Under the April skies
 Under the April sky
 Under the April sun
 Under the April sky
 ooh-ooh-oooh
 ooh-ooh-oooh
 ooh-ooh-oooh
 ooh-ooh-oooh
 Under the April sun
 Under the April sun
 Under the April sky
 Under the April sun
 Under the April sky
 Sun grows cold, sky gets black
 And you broke me up and now you won't come back
 Shaking hand, life is dead
 And a broken heart and a screaming head
 Hey hey
 Under the April skies
 Under the April sun
 Under the April sky
 Under the April sky
