

# The Jesus And Mary Chain - Cherry Came Too

Tom: A

Intro: A

A D  
When she walks towards me I feel something

E A  
Crawl beneath my skin

D  
And all the electric stars are shining

E  
Beneath my skin and

D  
Cherry takes me to the place above

A  
With barbed wire kisses and her love

D  
We're going where the ocean's blue

B D E  
Kick the dust and you can come too

A D  
In the light of all my darkest moments

E A  
Things fall into place

D  
And all the soft dark coloured awnings

E  
Fall into place and

D  
Cherry's scratching like a grain of sand

A  
The trigger itch in the killer's hand

D

Me and Cherry are so extreme

B D E  
Making love to the sound of a scream

A  
Oh Cherry honey you got me stuck on a rope  
You got me running around

D  
With the fear in my head for you

E A  
And I want you

A D  
And I'll give you my head

E A  
And all the things it said

D  
And I'd give you my thoughts

E A  
If those things weren't lost

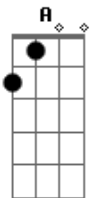

D  
And I'll give you my soul

E A  
To beat it with your pole

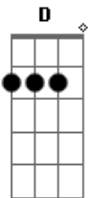

Solo 4x: ( A D E )

I'm gonna give you my head  
You could kick it dead  
And I'll give you my head  
Come on and kick me dead  
Come on and push me down  
Come on and drag me down  
Oh and Cherry be bad  
Come on and kiss my head
