

The Jesus And Mary Chain - Coast To Coast

```
Tom: B
   (intro) Db Db
Feels like something pumping through my veins
          Gb
I got the junk gun fever sinking to \ensuremath{\mathsf{my}} brain
                  Gb
Feels like God in heaven's gone insane
I got a cat scratch engine takes me on the road
 Gb
                                        Dbm
Wheels get rolling back to the world I know
                  Gb
Takes me just as far as I can go
 Db
I got my senses strung out to the sky
That desert city's got me reaching high
B Gb
Here I come here I come
```

```
(base solo) Db Db Gb Db B Gb Db
Feels like something pumping through my veins
          Gb
I got the junk gun fever sinking to my brain
                                 Dbm
                                        Db Gb Db B Gb
Feels like God in heaven's gone insane... (trecho
instrumental)
Junk town nothing got to keep it coming
Gb
                 Ab
Hipshake gunning kick start and I'm running
Just don't make it guess you got to fake it
           Gb
В
Here I come here I come
                       Db Gb
                                        Db
     Db Gb
On the road ... under a sky ... coast to coast... (trecho
instrumental)
 Gb
Shake it babe shake it, shake it and you're try, oh ... hey
```
