

Jesus Culture - Let It Go

Tom: C

Verse 1

Let a song rise from our souls sing it day or night, let it go
 straight to the heart of the One who knows the voice that He's hearing

Let a song rise from our souls sing it day or night, let it go
 straight to the heart of the One who knows the voice that He's hearing

Chorus

We are never gonna let this song die out
 And We feel the heart of God so we cry out

Verse 2

Let the sons and daughters shout with joy and peace and love

around

There's no way we'll ever quiet down our God is alive

We are never gonna let this song die out

And We feel the heart of God so we cry out

To love like only He can love

To become His hands and His feet woah oh oh

We are never gonna let this song die out

Bridge

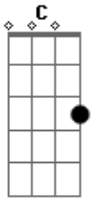

We will never look back

We will never look back

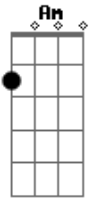

We will never look back

You're all we can see now
