There's a space in every beating heart  
There's a longing that reaches past the stars  
There's an answer to every question mark  
There's a name  
There's a hope flowing through these veins  
There's a voice that echoes through the pain  
There's an ember ready for the flame  
There's a name

We will fix our eyes on the  
One who overcame  
We will stand in awe of the  
One who breaks the chains
