

Jesus Culture - My One, My All

Tom: **Db**

(com acordes na forma de **C**)

Capostrate na 1ª casa

Just one touch
And everything changes, everything changes
With one word
The world rearranges, the world rearranges
By one life
Death was defeated, death was defeated
And this one love
Has paid for my freedom, paid for my freedom

No other hope, no other love

My one, my all, Jesus
No other God, no one above
You're all I want Jesus, Jesus

(**F G C Am G**)

This one King
My Healer and Savior, my Healer and Savior
There's none like
The Miracle Maker, You're the Miracle Maker

No other hope, no other love

Acordes

My one, my all, Jesus
No other God, no one above
You're all I want Jesus, Jesus

(**F G C Am G**)

In guitar's entrance, play this:

Nothing and no one compares to You, God

There's no one like You

There's no one like You

Just one touch

And everything changes, everything changes

No other hope, no other love

My one, my all, Jesus

No other God, no one above

You're all I want Jesus, Jesus
