# Jesus Culture - My Soul Longs For You

Tom: C

```
   Am
   My soul longs for you, my soul longs for you
C
   Nothing else will do, nothing else will do

      Am                          C
I believe you will come like the rain
                                    F
You'll come like the rain
                                    C
You'll come like the rain

       F
Let it rain
       C
Let it rain
```
